

A First Message to the Prime Minister and to ALL of the Peoples of Canada

To Prime Minister Stephen Harper

From the Lord God of Canada, America, and Israel

The First Message to Canada

Beginning of Message

A Message from the Lord God to the Prime Minister ...

... and the Peoples of Canada -

... the First Message:

To Prime Minister Stephen Harper - Prime Minister of Canada ...

... and to ALL the Peoples of Canada:

Mr. Prime Minister ...

.... because of your stand for Israel, and for your great nation (including your personal convictions and stand for Christianity and Judaism), the Lord God is going to greatly bless your nation in the coming year and beyond; in fact, so much more than it has lost through the ridicule, criticism, and losses suffered by your nation in the eyes of the United Nations and the rest of the world.

The Lord God requests that you continue to abide by and obey the literal Words of the Bible, as well as the messages of the Lord God that I will give in the coming times.

In addition, He asks you to heed the warning messages given to the other nations and apply them to your nation (as applicable) ... and in that time, The Lord God will bless Canada even more, in the coming times and beyond, even more so than He will in the next year.

However, to fully receive your blessings in a great prosperity and abundance - you must continue to guide your nation back to the Lord God, and to help throw off the yoke of sin and iniquity that has gripped your country and even more so, that which has gripped ALL the nations of the world.

The Lord God is very pleased with your actions. As a result, He also has special blessings in store for you personally, as well as for your family. And He was particularly pleased at your conviction and actions as noted in the following news article ...

Canada ready to support Israel whatever the cost

Canadian Prime Minister Stephen Harper gave a rousing pro-Israel speech before a conference on combating anti-Semitism being held in Ottawa this week with parliamentarians and experts from more than 40 countries. Harper said Canada would remain a steadfast supporter of Israel even if it meant losing stature internationally, pointing out that Israel is the only country in the world whose very existence is under attack. He denounced the new form of anti-Semitism which targets the Jewish people by "targeting the Jewish homeland, Israel, as the source of

injustice and conflict in the world and uses, perversely, the language of human rights to do so.” History teaches us that “those who threaten the existence of the Jewish people are a threat to all of us,” he concluded. Canada recently lost a bid for a seat on the United Nations Security Council in a vote widely attributed to its support for the Jewish state.

End of Article.

Mr. Prime Minister ... in addition to the blessings Canada has already received from the Lord God, your nation will be given much greater riches and access to its natural resources, and those heretofore undiscovered ... and then also be given greater technology to access those hidden resources.

You will also be given a greater ability to access, extract, and process the resources you are aware of, but cannot gain access to.

Furthermore, you will be provided the ways and means to feasibly and economically access the resources that are too expensive to obtain, process, and refine ... as you will be provided the ways and means to obtain them, in ways heretofore unknown.

You are to continue ...

... to support Israel unconditionally,
... to maintain your Christian beliefs,
... to enhance your focus on your Lord,
... to continue to build a Godly foundation for your nation,
... and to continue to strive to increase your personal relationship with the Lord.

Do these and more, and the Lord God will provide these blessings so very much more ... including greater political, economic, military, and cultural stability; including the blessing of extending your time in office, and for those beyond, on this Earth ... and furthermore, giving you great blessings in eternity.

Message by God*

The Lord God has been watching you very closely and He is proud of Canada, both as a peoples and as nation ...

But more so, He is so very proud of you.

You still have a long road to travel to continue to bring your entire nation completely back unto the Lord God. But take comfort, that you, as a leader of your nation, are one of the few that are taking any strides to do so.

I personally will continue to pray and ask the Lord God to intervene for Canada in all of its affairs, both domestically, and internationally, but even more so, with my nations of the United States and Israel.

The United States and Canada are likened to one nation in the Lord's eyes ... for we are, per the Lord's quote, "Cut of the Same Cloth". We are the same nation in heart and in spirit (if not in name), despite the differences that have manifested themselves in recent years between our nations politically, economically, and spiritually. One day we will be reunited in our hearts, our minds, our bodies, our souls, and our spirits - becoming "One" in the Lord God ... to be greater in Him, than ever before possible.

In the near future, I will contact you.

Please read the messages that the Lord God has given to Israel, the United States, and the rest of the world.

Because of your beliefs and actions in leading your country back towards the Lord God, you are also one of the few, throughout the globe, that the Lord God is calling to be instrumental in carrying out His divine Will, His divine Word, and His divine Desire in these last days as prophesied. More on this in the future.

Thank you Mr. Prime Minister Stephen Harper.
