**Blessings from the High Prophet of the Lord God**

**The Fifth Message**

**Beginning of Message**

A Message from the Lord God to My People of Israel -

... the Fifth Message:

Thus says the Lord God of Israel ... to His High Prophet:

I shall send you to My people of Israel, in the space of time, prior to the extraordinary series of darkenings of the moon and the sun.

At the time you go to My people, I, the Lord God, shall present you as My prophet to prophesy to My peoples.

You shall say to My peoples and nation of Israel:

“Has not the Lord God of your forefathers, the God of Abraham, the God of Isaac, and the God of Jacob ... brought you back to be a nation again ... from both the dredge of the nations, and the fineries of the nations ... over sixty-five years ago, so that you are a great nation, once again?

Did not the Lord God of your forefathers bring Israel back from Egypt, though the guiding hand of Moses?

A Message from the Lord God to My Peoples & Nation of ISRAEL  
Blessings from the High Prophet of the Lord God (The Fifth Message)

Did not the Lord God of your forefathers bring the peoples back from captivity in Babylon, through the guiding hand of Zerubbabel, by My servant Cyrus?

Thusly, after two days in the wilderness, the Lord God has now brought you back from even longer!

Has not the Lord God been faithful to His covenant with Abraham, whom He reiterated to Isaac, Jacob, Moses, and many others?

Has not the Lord God been faithful in restoring some of your lands to you, as spoken and prophesied by the prophet Ezekiel (when He prophesied about raising up the dry bones of the House of Israel)?

Has not the Lord God been faithful in ending THE war and THE desolations upon you, as spoken and prophesied by the prophet Daniel?

Has not the Lord God been faithful in restoring your beginnings ... which will lead to further restoration, unification, and ultimately sanctification - through the Abrahamic, Mosaic, Davidic, Jeremiahic, and Messianic covenants?

**Indeed He has!"**

And now, I further speak for the Lord God, to prophesy unto you .. as you now hold title to the holy city of the Lord - given unto your hands, through His hand, in less than six days.

**Therefore, thus says the Lord God of Israel:**

I have brought you to this time and space of place to begin your long and arduous restoration unto Me.

Hear My words O Israel ...

... for you have performed evil in My eyes by cavorting with the sins of the nations.

Therefore reconcile this, first to yourselves, and then to Me, your Lord God ...

... by throwing off these sins,

... as in throwing off ALL sin, whether of your own or of the nations.

**Come back unto Me now!**

Sanctify your hearts against the evil you have done unto Me, especially since I brought you back home after all of the severe trials and tribulations you have experienced these last two days, but especially those since I restored your nation.

If, and ONLY if, you sanctify your hearts against sin and dedicate yourselves to come back unto Me in the fullness ... of your hearts, your minds, your bodies, your souls, and your spirits (in your total “Completeness of Being”) ...

... then I, your Lord God, will come unto you and stay with you - to help build and restore My House unto you, and to make the impossible possible ... for once again, will I reside on My holy mountain.

Come and do not equivocate against this decree ...

... for I, your Lord God, have decreed this year to be the beginning of your completion of restoration.

**Blessings from the High Prophet of the Lord God (The Fifth Message)**

For I declare, I will build My House amongst you regardless, as a testimony to the nations ... that I, your Lord God, am now going to finally begin the fulfillment of the completion of My covenant with you, O House of Israel.

I, your Lord God, will now sit amongst you and rebuild My House. But, I want you, as My special children, to join with Me in your hearts, so as to build it with both your hands and hearts, with mine ... and to begin anew the things of old, committed by your forefathers, to do unto Me.

For they praised Me and lifted up their hands to Me in worship ... and then, did they sacrifice unto Me, to atone for their sins.

Since you, as a peoples and nation, have rejected the sacrificial atonement that I have already done for you ...

... then I, your Lord God, shall require you to once again make unto Me a sacrifice of ALL of your sins and treasures unto me, so that I, your Lord God ... will once again look onto you, not as a beloved child who has strayed ... but as a beloved, betrothed wife - who now prepares to come back unto Me at My request.

**COME NOW!**

**Repent of your sins!**

**Commit to do no more evil in My sight!**

If you do not appreciate, or even know of My atonement for you, then you must go back to fulfill the laws given to Moses and those subsequent.

Blessings from the High Prophet of the Lord God (The Fifth Message)

Do this, and I will bless you greatly with My prosperity, blessings, and riches ... and then will I restore your spirits within you - to “be of Me”, and to yearn for My presence and My love and My gifts, ... which I now make unto you as a love offering to come back unto Me.

First ...

... begin to prepared to build My House, for in the many months ahead, you shall break ground and begin construction.

I, your Lord God, will take your plans you have prepared ... and change them to My Desire, to my specifications - for the House I will build in these days, in this day and age.

Has this not been prophesied?

In soon time, once you present them unto me, along with all of your plans, implements, tools, elements, and preparations ... I will complete them for you in a short space of months, so that you will have another short space of months to begin the construction.

I will oversee construction throughout the twelve months it will take for you to build My House and complete it.

Anything incomplete will not be excused ... for if you bring to Me the impossible that you yourselves cannot perform, then I, your Lord God, will do one of these:

... instruct you to build that which is needed,

... provide that which been lost to time,

... provide that which been lost to the nations.

... complete that which is incomplete.

All shall be perfect, according to My Will, My Word, and My Desire.

All shall be perfect at the end of twelve months, or I shall be angry!

For the time is short, before the nations will seek to deliver you from your peoples, your lands, your heritage, your name, but more so, from I, your Lord God!

**But, know this O Israel, these things shall not happen!**

Not only shall your enemies and the nations not succeed, but they shall fail miserably ... in TOTAL and ABSOLUTE defeat!

Nevertheless, I, your Lord, shall instruct you to sanctify My completed House for a period of months, after which you will then do as your forefathers and ancestors did in dedicating and certifying the completion of My Great House.

Once My House and Sanctuary is sanctified, then call me, your Lord God, to reside in My House, where through the call of the One that I send ... **I will then come.**

Then therefore, I shall reside with you forever more ,, through good and bad, through thick and thin, through trial and tribulation.

But, ONLY if you have acknowledged your sins and repented from them ... thusly rededicating yourselves, as a peoples and as a nation of your Lord God

Once I am on My holy mountain once again, I, your Lord God, will love you and accept your praise and worship as a peoples and as a nation, in wholeness, once again.

I will then also bless you and restore you further.

But, know this O Israel ...

... I, your Lord God, and ONLY I, will fight your battles for you.

For if you try to fight them yourselves, with your own strengths, you shall miserably fail.

But, with My hand leading your battles, you shall have ultimate victory - even against the strongest, most wicked opponents - those who hate Me even more than they hate you.

Take heed, that only those who love Me will fight with you ... but ONLY at My direction and not yours.

But, if, and ONLY if, you acknowledge your sins ... and then therefore repent of them, rededicate yourselves to me, and acknowledge to all peoples, tongues, and nations that I am your Lord God ...

... then I will go before you to prepare you in ALL things that you need and desire ...

... AND ...

... defeat those that even TRY to come against you. Know that if they come against you, they come against me!

For those that come against you ... will I, your Lord God, BREAK into little pieces (such as throwing fragile pottery against solid, unbroken, adamant stone).

But IF, and ONLY IF, you come back unto Me and call out My holy name ...

**... THE Lord God of Israel!**

For I AM who I AM ... as spoken long ago on a mountaintop far away in time and your space of place.

**FEAR NOT about anything!**

For I, your Lord God, will rebuke all fear of yours ... and the anger and consternation of the peoples and nations that hate you ... and hate your Lord God.

For as I said, because they hate Me (whether they know it, acknowledge it, or not), they hate you. This is why they truly hate you, typically unbeknownst to them.

Nevertheless, I will pave the way for My House to be built on My holy mount, on My holy mountain, in My holy city, in My holy nation ... whether with ... or without the wishes and blessings of the other nations.

I will make you strong once again to withstand and weather the anger and criticism against you for announcing, desiring, and planning to rebuild My House.

For I, your Lord God, want ALL the nations to know this ...

... that **I AM the Lord God of Israel.**

But even more so, that I am the Lord God of the heavens and the Earth, and of all of creation ... in the universe and beyond.

But, I am not just the Lord God of Israel ...

... I am the Lord God of ALL who love Me and speak My holy name in all of their hearts, as well as on all of their high places!

For I am the Lord God of America ...

... and those few select nations I have called out to join with you and each other, to huddle together under My name and My banner ...

... for the "Great and Terrible Day" coming upon the whole Earth, in judgment, coming

IMMINENTLY soon!

So, to fulfill and live in My covenant that I have given you O Israel ... in these times and the many difficult times coming subsequent ...

... I will prepare you as a man prepares his family and children against a fierce storm of rain, wind, hail, lightning, thunder, and whirlwind, which threatens to destroy them all.

So, if, and ONLY if, you accept these words and obey me, AND all of the words I give you subsequent and into the future ...

... will I then hold My hand completely over you O Israel, and shield you ... from the brunt of the storm coming upon you both sooner, AND later, than you think.

For, as I prepared the prophets of your forefathers, I have prepared and sent One, the man with whom I speak through now ... to bring not just further restoration to you, but My love offerings which you will use ...

... to cherish My presence ...

... to gird yourselves up ...

... and to prepare your strongholds for that which is coming upon you because of My name's sake.

Accept and care for these offerings I give you, and I will give you many times more ...

... so that you may glorify Me throughout all the Earth, and further, strengthen yourselves against the whole Earth (less a few that I have prepared to join with you and I - of those who love Me greatly). For I tell you, that the entirety of the Earth seeks to devour you ... even unto your bones!

For those that say they love Me ...

... IF they truly love Me, then they will truly love you.

But, if they do not love you, even though they say they love me, they do not! And then therefore, I will rebuke them and push them away as if I never knew them.

So, cherish those that love you and love I ... for if, and ONLY if they love you, then you will know that they truly love Me, whether they know it or not.

But, remember, I will only prepare these to come and wait with you. For they will only fight with you, if and ONLY if, you come back unto Me and announce to ALL the nations ...

... that you have come back unto the Lord God of ALL of Israel ... the Creator of all that was ... all that is ... and all that will be ... forevermore.

As I prepare you for the rebuilding of My House, I will further prepare you to accept My love offerings ...

... and ... to take away your fears, so that you will ...

... live ONLY in My security,  
... live ONLY in My protection,  
... live ONLY in My provision,  
... live ONLY under My providence.

I also prepare you to strengthen yourselves in ALL ways ...

... in your hearts,  
... in your minds,  
... in your bodies,  
... in your souls,  
... in your spirits.

And, I will also strengthen your land and your hands against those who desire your lands  
AND your lives.

For I, your Lord God, will make you fierce and strong against your enemies. For  
remember, they were My enemies first!

So, My people of Israel ...

... GO NOW!

Bring reports of all you have in your lands, and of your strengths, and of your weaknesses  
... to My prophet, the One whom I have sent ...

... and I, your Lord God, will build up your lands, increase your strengths, and greatly  
reinforce your weaknesses ...

... to withstand even those who are the giants in the other lands, in this time, and in the  
space of place throughout all the Earth.

Bring reports of both your friends and your foes, of your riches and your wastes, of your  
strong and of your weak ...

.. and I, your Lord God, will sift through all these things and bless you with strength and  
guide you on how to be even stronger and full of more wisdom.

Bring also to Me your plans and ALL that you have prepared to rebuild My House, and I  
will guide you, give you My changes, approve its construction, and give you the physical,  
financial, and political means to plan it, build it, sanctify it, dedicate it, and open it for  
worship ... so that the whole world knows that you are My people of THE COVENANT.

Has not such been prophesied by your prophets of old?

Fear also not ... for I will greatly supplement the riches and treasures that you will use to prepare My House, with those that I have prepared in the nations, and bring them to you, through My prophet's hands ... to build it, beautify it, sanctify it, dedicate it, and announce it complete ... through a dedication and a prayer unto me, by My prophet and your king.

Know that I have raised up your king to be strong in the soon coming times of joy in Me ... and the soon coming times of trouble with the nations, which you are about to face ...

... times which are coming IMMINENTLY upon the whole Earth!

FEAR also NOT .. for I will bring the consternation and threats of the nations to be of NAUGHT ... when they hear of the plan to rebuild My House, and throughout its construction, sanctification, dedication, and opening ... subsequent.

But, BEWARE, this is My House ... of My peoples of Israel ... and of ONLY those that honor me, love me, and obey Me FIRST, and those that love you SECOND.

For if they do not love Me FIRST, they do not love you, truly at all (for these will the world easily change their hearts to be against you, if they do not have the foundation of Me underneath them).

No one else is to come and worship before Me in My House, and the boundaries I will set to separate My House ... from those of the peoples and nations that either do not know me, or who despise Me and hate Me (for which they thusly hate you, O Israel).

Know also this - I will divide My holy mount from those who worship their god on My mount ... so that you can build My House on it ...

... separate and divided from them.

I, your Lord God, am the ONLY one who can remove their houses of worship on My holy mount. You are not to do so now, for I will do so, in eventuality, once my great day

of judgment on the whole world passes.

For this have I determined upon you ...

... because you did not RAZE their worship centers ...

... when after many centuries, I finally delivered My holy mount, My holy mountain, and the totality of My holy city, unto you, in just a handful of days.

Nevertheless, do ALL that I command you ...

... to build My House strongly, grandly, and ...

... I will do the same to your house, O My cherished people, of My sacred and everlasting covenant.

Go now, and bring all these reports and requests to fruition, and bring them unto Me - to My prophet, the One I have sent ... and do so within three periods, or ninety days, of the date of this declaration, lest I be displeased and admonish and chastise you, O My peoples and nation of Israel.

When you do so, I will then give you complete guidance, within the space of more periods of time ... several more, and no more ...

Then, will I expect the use of, and implementation of ... the provisions, protections, securities, and love offerings that I give you ...

... in your great provision and great protection ...

... as well as in the implementation of your plans and Mine, to begin the construction of My House, within several additional, subsequent periods.

Thus, says I, the Lord God of Israel ...

... ALL these things will be made manifest ...

... and will indeed come to pass ...

... through My knowledge and wisdom,

... through My power and might!

Love and welcome, care for and provide for My prophet .. the One whom I have sent ...

... and I will greatly increase -

... My love that I give unto you,

... My welcome back of you into My arms even greater,

... My care for you, and, even greater,

... provision by 10,000 times (which is a promise and revealing of My provision AND My prosperity unto you).

Have not these things been prophesied by your prophets of old?

What you give the One I send, I will give you more of.

What you do unto him, I will do more of unto you.

What you share unto him, I will share unto you even greater.

**Come back unto Me NOW O Israel!**

**I love you My peoples and nation ...**

**I love you My peoples, who are not within My nation ... wherever you are, still scattered throughout the world ...**

Make My prophet know that he is home, and I will reveal to you, through him, the secrets of bringing your peoples and brethren home ... in finality.

Do this, and I will give you plans and provisions to welcome these brethren home, and then therefore, to give them great provision, as well.

**I have spoken these TRUE words!**

Now I wait to hear the TRUENESS .. of your hearts, of your minds, of your bodies, of your souls, and of your spirits - in your "Completeness of Beings!"

**Thus says the Lord God of Israel and America, both My peoples and nations ...**

... For I, the High Prophet of the Lord God, whom he has named ...

... thusly as His thunder, and ...

... thusly as His right hand of blessing unto judgment.
