Hurricane / Superstorm Sandy in 2012 - A PostScript

A Message from the Lord God to My Peoples and Nation of America ...

... Hurricane / Superstorm Sandy in 2012 - A PostScript -

... the Second Message:

Judgment has NOW Come unto America By the Hand of The Lord God ...

Hurricane / Superstorm Sandy is “Strike One” for the United States ...

This storm is the **FIRST** of the judgments of the Lord God against America for its great sins & iniquities against Him & the peoples of the Lord God.

Although the tragedies, attacks, and “Acts of God” that have occurred in the nation in the last decade have been perceived as judgments (by the few men and women of the Lord God), they were actually “pre-warnings”, which then became “warnings” to the nation to stop its sins and to come back unto the Lord God ... before the real judgment began.

Clearly, some of the peoples of the Lord God have been quite perceptive in their assessments that the events of the 21st century were the start of the judgments for the nation’s sins and iniquities.

However, says the Lord God:

“The judgment is NOW, and will continue unabated until the nation ceases its sins and inequities and stops its abominations committed unto Me.

For ... until the peoples of the nation stop their sins, reverse the major national sins of the country, and severely repent ... I, the Lord God, will continue to increase the frequency and intensity of the judgments.”

As also revealed in the first message unto America, the judgment of America will be for a period of a time and times and half a time. At the end of this time, will the Lord God bring the nation back unto Him. But, the costs will be enormous due to the stubbornness of the vast majority of the peoples of the nation and their lack of desire to cease their sins.

The Lord God has announced that the following series of judgments will come to the nation:

Three major events will occur prior to three separate series of three major earthquakes each (“Three Series of Triple Earthquakes”), for a total of nine earthquakes (and twelve disasters) in, near, or majorly affecting the United States. Such severe, major earthquakes, will unquestionably affect the future stability of all of the other fault lines in the nation simultaneously, thereby increasing the chance of a complete fracturing and collapse of one of the nation’s major fault lines. Two are known, but there are several others, heretofore unknown to mankind, within the lands of America.

Nevertheless, these such “Acts of God” will occur in an increasing fashion. Hurricane Sandy was the first of twelve of these “Acts”, starting on Halloween week 2012, with the third and last of this first set, occurring prior to, or on, New Year’s Week 2014. The “Three Series of Triple Earthquakes” will begin thereafter.

More on this in the future. Also, there will be a further discussion about the calamity and catastrophe resulting from the complete fracturing and collapse of one of the nation's major fault lines; as well as a discussion of the probabilities of such occurring. Only the Lord God can STOP these events from occurring ... for which such is totally dependent upon the complete cessation of sin and repentance of the peoples of the nation.

The nation's judgment has been determined and meted out ... based upon the proportion of the nation that is NOT of the Lord God.

The Cost of the Hurricane / Superstorm ...

What will the cost be to the nation and the American people?

According to the Lord God, Hurricane / Superstorm Sandy clean-up and damage repair will top over \$100 billion dollars. The wind and storm surge destroyed an enormous number of city and county infrastructures, including near shore and underground facilities; severe damage to subways; electrical substations; water transport systems; sewage systems; and so much more. It will take more than a year to determine the full extent of the damage, and many years to completely repair the damage and replace what was lost. This will severely tax the governments and their budgets, which are already in a dismal state due to the faltering national economy. In fact, many local economies and states in the Mid-Atlantic and Northeast are in worse shape than the national economy. To make matters worse, a substantial part of what was lost or damaged was either self-insured, or uninsured, making matters worse. The helplessness and hopelessness will increase tremendously, since little or no financial help can, or will be expected.

The national, regional, and international insurance companies are expected to take advantage of clauses regarding natural disasters and hurricanes to avoid making payouts, in many cases. Such will eventually cause Congress to review the situation, resulting in a complete investigation as to how the national insurance carriers determine claims eligibility. This will lead to the proposal of new legislation regarding the issues that will

come to light in the insurance claims process as a result of many calamities that will befall the peoples and nation, beginning with Hurricane / Superstorm Sandy.

Due to the fact that Sandy was initially classified as a tropical system (eventually becoming a hurricane), the insurance companies, in many cases, will assess their claim payments based upon hurricane specific insurance; despite the fact that when the storm hit the Northeast (where the majority of damage occurred), Sandy had been reclassified from a tropical system to an extra-tropical system, as it had morphed into a non-tropical Superstorm. However, the storm was more appropriately called, in this instance, per man's terminology - "A Perfect Storm").

Know, however, that Sandy came about twenty-one years to the day after that which was previously called the greatest of all perfect storms to hit the nation in recent years. This was not a coincidence, for both were "Acts of God" ... both created in God's "perfect timing".

Furthermore, the total losses will be even greater when the loss of business is taken into consideration. The lost opportunity costs will extend the total losses even more so, nearing \$200 billion dollars, according to the Lord God. However, the judgment to the Northeast is far from over, as further portions of this judgment, coming in the near future, could easily double, or triple, the cost numbers.

This storm hit immediately prior to Halloween to make a point (amongst other points, what will be revealed in the future). The first point is that Halloween is an abomination to the Lord God. Sadly, it is treated as a quasi-official national holiday by the peoples. It is celebrated so much more than the Feast Days and Holidays of the Lord God. This issue will, absolutely and unquestionably, be dealt with in the near and more distant future.

Regarding a second point made by the Lord God, construction at the World Trade Center (Ground Zero), will be delayed due to the weakening of various supports, as well as damage done to the construction site and equipment. A thorough and extensive inspection of the sites and construction needs to be performed before construction resumes, lest catastrophe occur.

It may even be that the Lord God may not ever allow this area to be COMPLETELY rebuilt and finished, unless the following occurs:

- The nation and people accept the harbingers He sent.
- The nation and people acknowledge how it and they violated them.
- IF, and only IF, the nation, its officials, and people truly repent for violating and rejecting the harbingers that He set forth - including the harbingers that are obviously an abomination unto Him, as well as the harbingers that are given in His written word. These, according to Him, are so very plainly clear ... for there have indeed been “Men of God” that have preached and taught on these harbingers (as He led and inspired them to do, generally, unbeknownst to even themselves).

The Lord God has a Question for America ... In Conclusion ...

“People of America, I AM the Lord Your God ...

Look first at the photograph of Hurricane Sandy.

Notice the image and size of the storm system as it expands its full fury on the Northeast. The storm is a typical swirling system in the shape of an “@” sign or “AT” Sign. The area, in this photo, where it made primary landfall, represents the primary source of the national and international spread of the nation’s sin, iniquities, and abominations that have been committed unto I, the Lord God (and, others as well).

In the future, you will discover that I have sent similar signs of my displeasure and anger in recent history, over the last number of years (and even prior). These I will reveal to you in due and soon time. This area is where the problems have manifested themselves greatly ... AND is the area in which my primary anger is directed and focused.

Next, look at the diagram of the track of the Hurricane.

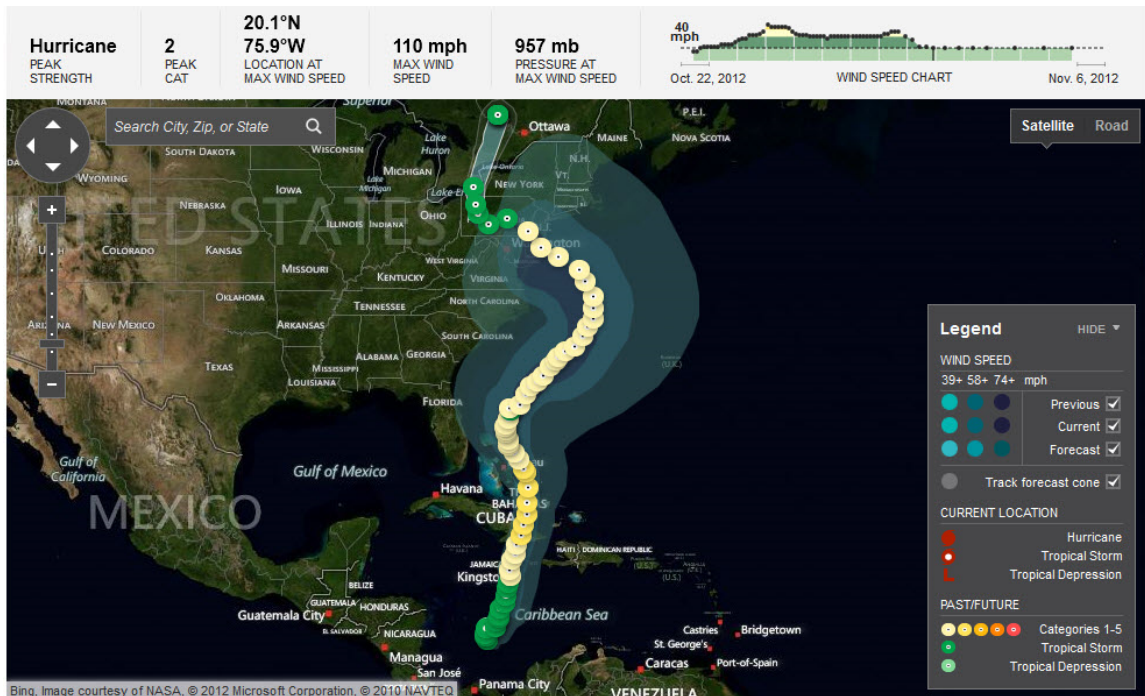

Image courtesy of The Weather Channel

<http://www.weather.com/weather/hurricane/tracker/sandy>

Notice the track of the storm system from its unusual, “instant” birth in the Caribbean Sea; its quick maturation into a hurricane; its morphing into a “Perfect Super-Storm”; and finally, where it swiftly dissipated in Canada, where it met its complete dissolution (again, by My hand).

The track clearly forms a “**Question Mark**” symbol. The track of the storm was formed, created, and guided by My hand. I dissipated it quickly as it entered Canada, for I have not accorded judgment unto My nation of Canada (in fact, quite the opposite is true; for I have accorded Canada a degree of blessing, which will also be revealed shortly, in the near and coming future).

In fact, see a striking video of a satellite capture of the life and death of Hurricane Sandy at the following NASA link:

http://www.nasa.gov/mission_pages/hurricanes/archives/2012/h2012_Sandy.html

Nevertheless, This is my question to you O America, O nation of My heart:

Will you come back unto Me, your Lord God, in completeness and totalness?!?

Will you, My people of America? Will you, O nation of Mine?

This leads me to ask a second question:

Will you stop your sins, your inequities, and reverse your abominations committed unto I, your Lord God?

This then leads me to ask a third and fourth question:

When? Soon?

...for, without question, these same sins, inequities, and abominations ... have you also been committing unto yourselves ... unto your own people, and then spreading them globally.

As you will see, in the future, you will find out that I have asked you these questions before. In fact, many times have I asked them ... in recent, and very recent, years. However, it seems that only my High Servant noticed; for when the pattern was remotely discernible, he persistently and steadfastly inquired of Me, never believing and accepting that he would not receive a response regarding this. A great, refreshing FAITH is what he has. Nevertheless, he certainly now knows very well of what I now speak.

O America, I will keep asking you these questions, day in and day out, until you do come back unto Me.

Verily, verily do I say unto you, that each time I do so, it will be in an increasing and more intense fashion ... for I have grown exceedingly impatient!

For I, the Lord God, have judged other nations and empires for the same sins, and I did so much more quickly and decisively! Many of these nations and empires were to given unto extinction. But, I will say this O My nation of America ... no others have committed and spread these more effectively than you, and none have been a worse example to the other nations than you, O America.

For ... in NO way, shape, fashion, or form, will you miss the next messages I send you via what you would term “Supernatural Acts”, or more applicably ... “Acts of God”.

That term is rather aptly applied, in this case.

Can I, the Lord God, create another Superstorm? I have in the past. I have just done so here. And, I will indeed do so again. But, the next one will be even greater, that is, IF I choose to bring judgment to the nation in this way again (which is very likely to be the case).

Nevertheless, I will await for you, O nation of Mine, to answer My questions.

To conclude, O America ...

... I, the Lord God, originally called your nation “The United States of America” for many reasons; but, more appropriately, I wish to convey to you now, that you are indeed a nation of nations. Each individual “State” of your Union unto me, is a separate and identifiable nation (for which you currently have fifty). But, O nation, that will change very soon. I speak not in a riddle, but I speak both literally and figuratively.

There shall indeed be judgment coming to you, in an increasingly more complex and more severe quality and quantity. These judgments shall indeed bring decrease to your nation, in many ways. Although such judgments are necessary, but only because of your stubbornness. Know, however, this is NOT what I want!

Nevertheless, to insure that the nation does not decrease into a “much decreased existence”, or even into “non-existence ... I will increase America simultaneously, in other ways, so that the nation and its heritage continues be maintained ...

... for, O Nation of Mine, my intention is not to cause America to vanish from existence, but my desire is for America to INCREASE in its existence.

My plan is for America to increase to the greatness I aspired it to have, from before there was a world, and from before the time in which the Earth was appropriately named. But, you have not even approached the greatness I designed and intended for you (as of yet). That will indeed happen one day. But, it is up to you, O Peoples of Mine, as to when it comes ... whether sooner, or later.

However, ONE thing that I, the Lord God, will NOT ALLOW ... is for anyone or anything else to decrease My nation of America, whether from “within” or “without”. But, “from without”, in particular, is what I speak of ...

... for I NOW command the nation to IMMEDIATELY increase its strength in DEFENSE and in OFFENSE. In other words, increase yourselves militarily.

For, if you do not heed My words, you will stumble in the coming months and years, AND, at these points, you will then cry out to Me for deliverance (but, know that there will be great loss until I come to save you).

But, if you heed My words NOW, you shall not stumble. Therefore, when you do cry out to Me, to your Lord God, will you do so “IN VICTORY!”

If that happens (as I desire), I will certainly salute the brave men and women of America that fight for My causes, and bless them tremendously, by My same hand.

To repeat, I call unto the nation of America to militarize, like no other period that it has done so in its history. If your government squabbles over the budget, your budget will be in utter shambles. Even worse, you may not live to worry about a budget. Therefore, increase your defense budget and multiply the people, equipment, and technology in your armed forces. Be diligent and vigilant!

Also, increase your “intelligence operations”, and quit playing the “politically correct” game of nonsensicalness. However, I tell you to maintain the Constitution I wrote for you and the rights I have granted your citizenry. Do not violate them!

However, I do tell you that there is a way to be vigilant for both known and unknown enemies, and still be secure internally (while maintaining the rights of the people, with the same rights that I gave them and the nation). Perhaps, I may teach you these things in the times coming. DO NOT ever forget that America is My nation, and My peoples.

Also, take a clue from your brethren, My other nation of Israel. They have survived terrible and existential wars - having been outnumbered in every one of them. Although their victory was by My hand ... they have quickly learned the following:

- Just who their enemies are.
- To always maintain vigilance.
- To always stay prepared.
- When to act preemptively.
- When to wait for attack ...
... and when to counter-attack effectively and efficiently.

However, with this in mind, DO NOT forget that I charge America with the protection and defense of Israel, just as if it was one of America's own states. If there is any lapse in Israel's defense (or of there is negligence in that protection), I will hold America primarily and personally responsible, no matter the cause.

O America, IF you do not prepare for the greatest wars of your existence (coming soon enough), then there is a cliché that speaks "volumes" in this case:

Fail to prepare ... prepare to fail!

In the days that are coming, you DO NOT want to fail ...

Although I will enable and empower you to increase, you must take My lead ...

... to prepare with what you have and to create more. For you are fully capable of having much more than the greatest military on the Earth ... for it is possible for America have the greatest military on the Earth, by an excessively and extremely wide margin - one that is even greater than all of the other militaries on the Earth, combined!

Once you do strive to achieve this, I will provide the extra measure to enable you to be victorious in ALL actions, skirmishes, battles, AND wars.

Have you not won ALL previous existential battles and wars? Did I empower you to do so? Yes to both!

Lastly, O America, notice that regarding Hurricane / Superstorm Sandy, I decreased the storm's intensity from its peak maximum to a hurricane minimum. Notice that I did not strike New York City absolutely directly. For if I had not relented in these two aspects ... a much greater catastrophe would have occurred. For now, I will leave it at that.

However, the effects of this first judgment will be far reaching, for this storm is only the first, of a great many, to come to this part of the United States ... in the months and times ahead.

Go now, and INCREASE your strength!

I, the Lord God, will provide the means in which you can do so - in many ways, absolutely and definitively, in the coming months and times ...

... **when the time is right!**

Remember, ALL things are done in My timing, and not on your own.

Do NOT forget that I, the Lord God, have meted out My judgment ... based upon the proportion of the nation that is “NOT of Me”. So, the more that are “of Me”, the lesser the judgment will be.

Even more so, remember this, as its written:

- 45 **that you may be sons of your Father in heaven; for He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust.**

Matthew 5:45

...for this will indeed come to pass. But I will bless those which the rain falls on unjustly, and I will recompense them, in ways they cannot even fathom. So, for those that are “of Me”, in whom my judgment falls upon - look up, for your redemption is NEAR.

- 45 *Now when these things begin to happen, look up and lift up your heads, because your redemption draws near.”*

Luke 21:28

And ... O America, do not forget the full context of the former words, as written:

Love Your Enemies

- 43 **“You have heard that it was said, ‘You shall love your neighbor and hate your enemy.’**

- 44 But I say to you, love your enemies, bless those who curse you, do good to those who hate you, and pray for those who spitefully use you and persecute you,
- 45 that you may be sons of your Father in heaven; for He makes His sun rise on the evil and on the good, and sends rain on the just and on the unjust.
- 46 For if you love those who love you, what reward have you? Do not even the tax collectors do the same?
- 47 And if you greet your brethren only, what do you do more than others? Do not even the tax collectors do so?
- 48 Therefore you shall be perfect, just as your Father in heaven is perfect.

Matthew 5:43-48

So love them, pray for them, do good for them, and bless them ... but DO NOT ignore them or give yourselves over to them ... for the amount that they will measure out to you shall be your destruction.

And they are conspiring to measure it out quickly!
