Blessings Revealed - In Part

From the Lord God of Canada, America, and Israel

The Third Message

Beginning of Message

A Message from the Lord God to My Peoples and Nation of Canada ...

... Blessings Revealed - In Part ...

... From the Lord God of Canada, America, and Israel -

... the Third Message:

I, the High Prophet of the Lord, am a servant of the Most High Lord God ...

... the One True and Living God.

According to the words spoken by the Almighty Lord God ...

... I declare the following unto the peoples and nation of Canada:

Canada possesses approximately one-sixth of all the world's resources, as it currently exist today (although this is unbeknownst to her). Such will be given within one "lesser super-cycle of time."

Message by God

In the coming times, the Lord God will give great blessings unto the peoples and nation of Canada for their great stands for ... AND their great love for, and devotion and loyalty to the other peoples and nations of the Lord God.

Canada will be given access (in very soon and due time), to much greater resources, consisting of energy resources such as oil, natural gas, and shale oil; rare-earth; as well as many, many other valuable elements and resources ... but also the technologies to access, gather, extract, process, transport, and sell such that they do not need for themselves. Other blessings will be given to improve and develop Canada's infrastructure further.

Such will be given unto Canada so that it will be a greater example unto the other peoples and nations of the world as pertains to the Lord God and all which He stands for.

Purposes of Blessings:

Such all, and more ... will be provided unto Canada for many of the same reasons these similar things will be given unto both America and Israel ...

... but specifically, know that these blessings are designed to do the following (amongst many, many other reasons not given as of yet):

- To magnify and sanctify Himself ... so that all the peoples of Canada will know that He is the Lord God ... the Lord God of Canada.
- To bring the peoples and nation of Canada back unto the Lord God.
- To offset the chastisement the Lord God has brought ... is bringing now ... and will continue to bring unto Canada - for the nation's sins, iniquities, and abominations.
- To bring an end to the sins, iniquities, and abominations of the peoples and nation.
