A Message from the Lord God to Egypt

The First Message

Beginning of Message

A Message from the Lord God to Egypt -

... the First Message:

Thus says the Lord Yahweh God Jehovah...

... to the peoples of Egypt ...

... and to the Pharaoh of Egypt:

I AM,
I AM who I have always been,
I AM that I AM,
I AM who I AM,
I AM who I always will be...

I AM the God of Abraham...
I AM the God of Isaac...
I AM the God of Jacob...
I AM the God of Joseph...

I AM the God of Israel...
I AM the God of America...

A Message from the Lord God to EGYPT
(The First Message)

I have watched you and been with you these many, many years, ever since the first visitor came into your land and resided, thus becoming the first Egyptian.

I have loved your peoples from the beginning, and I have loved your land, both fertile and waste, both populated and deserted, from the Great River, throughout the many sands, to the Great Sea.

You been kind to many peoples over the millennia that you have existed.

You have been kind to My peoples of Israel, from the Hebrews of old that inhabited the land of Goshen, to the Israel of today for upholding your peace with them. For that kindness, I have blessed you greatly, from giving you the riches of the land, under the guidance of Joseph, the son of Jacob, to the more recent stability and peace previous ... that you have had as friends to My Israel of new, as well as to My nation of America.

But, says I the Lord God, I have had many things against you during those millennia as well, and have pronounced judgment on your peoples and land many times (as told by the prophets of old). Your history contains both these judgments, and the previously mentioned blessings.

You have found grace in My eyes by the hospitality of your people ... for I the Lord God, have visited your land many times throughout your history, and have been blessed by the kindness and courtesy of the people I have visited.

However, long ago, My people, of the Hebrews, were guests and became inhabitants of your land, and lived well. But, there arose a Pharaoh that knew not Joseph, and therefore knew not of Me. When I sent "One" that you had nurtured, to then bring My people out of your land, to go back to their own land, I was there also.

The "One" I had sent said, without equivocation, to your Pharaoh of old:

"Let My people GO!"

A Message from the Lord God to EGYPT
(The First Message)

Today, as I recall this to you, I do so for a **purpose** of not one, not two, but **three**.

I have many things against you now, for My grace and provision and stability has been repaid with **unlike-kind!**

Now, this day, do I, the Lord God, say unto you, O Egypt:

Let My people GO!

Who are these people?

These are those within your people that seek Me and are “of Me”. For despite their numbers, and despite the blessings of knowledge, wisdom, and peace that they have given you, you are allowing them to be persecuted from within your own peoples.

Who are these people?

These are the people of the Cross, the people of the Christ.

I, the Lord God, now say unto you O Egypt:

These are My people ... and, I say unto you once more:

Let My people GO!

This is my **first purpose**.

A Message from the Lord God to EGYPT
(The First Message)

I will call them to march east from your land into My land, into My wilderness, to serve Me and to worship Me at My Holy Mountains.

The land I speak of is the Sinai Peninsula, My land, and not your land. Although I gave it unto your care for many years, it has now become an abomination to ALL of My peoples in or near Egypt. Therefore, I the Lord God, will take it back from you and sanctify My land for My peoples once again.

Let My people go from within your peoples, to My Holy Land, which I will once again make it. Let My people of the Cross leave their homes from within Egypt and make a new home within My land, which I now remove from your care. Thus, this is My **first purpose** to call now unto you O Egypt!

My **second purpose** is also for My people, but of the people of Israel, and they are what I speak of now.

Let My people ALONE!

Let them live in their land in the peace that I give them and in the security that I will now provide even greater unto them.

For, if you do not assure both of My peoples, the ones of the Cross AND the ones of Israel, a guaranteed assurance of peace from you, O nation of Pharaoh, I will send and set up a barrier of My own to assure of such.

I, the Lord God, seek the peace and assurance once again for ALL of My peoples from you. In return, will I give you peace and prosperity and knowledge and wisdom to turn your land into a blessing of fertility and prosperity ...

... by My hands and the hands of My peoples of the Cross ...

A Message from the Lord God to EGYPT

(The First Message)

... by the hands of My peoples of the Cross and the Eagle and by the hands of My peoples of Israel.

Separate My people, of your people of the Cross, and secure their march to My land, which was formerly yours, and help them build new homes and a new life, independent from yours. Do so, beginning now, and I promise you the abundance of blessings I previously spoke of, and more, much more!

If so, I shall make Egypt a greater nation amongst the nations once again, to live alongside My peoples, and I will secure and guarantee this, by My hand and My peoples' hands.

Do NOT, and I will NOT provide these blessings!

Do NOT, and you will find that your own peoples will be a curse amongst you with much anger and strife and unreasonableness!

For there are those amongst your own peoples (that are not of My peoples or of your own), that seek your instability, and will subject your nation to their captivity.

Let My people GO ...

... and let My people ALONE ...

... and I, the Lord God, will strengthen Egypt's resolve against those amongst you so that they will be found out and flee forevermore, away from your peoples and land.

A Message from the Lord God to EGYPT
(The First Message)

My **third purpose** is to facilitate the receipt of your answer to My requests. I will send “One”, My Messenger to you, for which he will speak My words that I have spoken here, and more.

He will give you directions on how to fulfill my requests, and the details and specifics on how to carry them out. He will also come with samples of My blessings (if you agree), and word of additional blessings to follow, as you complete them.

If you do not respond, or respond negatively, He will then provide further word of your judgment, as well as additional judgments, and when and where they will occur.

I AM a loving, righteous, and merciful God.

But, I AM also the ONLY God!

However, to those that seek other gods ...

... I AM He, the God of gods, and there is no one else like me ...

... for I see the end from the beginning, create the beginning from the end ... and I do ALL according to My Will, My Word, and My Desire.

Thus, O Pharaoh and nation of Egypt, I say unto you now that no one ... NO ONE ... can come against Me or those whom I choose to protect and provide for.

Hear these words and hear My requests O Egypt.

Assure My peoples of the peace that I will give them.

(The First Message)

DO NOT persecute them further, whether they be of the Cross, of the Cross and the Eagle, or ESPECIALLY, of Israel. For thus far, you have persecuted them greatly, and that, will end ... very, very soon!

DO NOT abandon them to the others within you, or without you either.

DO NOT come against them at all ... for I, the Lord God, am a jealous God, who diligently seeks their honor and worship, and I will zealously protect them.

Hear these things O Egypt, for now do I say and ask them lightly, with offers of blessing.

Prepare and act on My requests NOW, in the following months, month, and half a month.

I, the Lord God, will, at that appointed time, once again visit Egypt and My peoples, to facilitate their march eastward, and I will oversee the covenant of peace with My peoples of Israel. At that time, I will bring blessings, IF you hear My voice and obey My words.

If I do not see these things, I will remove My blessings, AND remove ALL of the blessings you have ever had, including all those you have ever received, from the beginning of your existence, and certainly onward.

End of Message

Thus says the Lord Yahweh God Jehovah...
