A Message from the Lord God to the World

Time is Very Short ... for Global Calamity & Disaster are Coming!

The Seventh Message to the World.

As calamity befell mankind and the Earth in ancient times - from the events of the Great Flood ... unto those that came upon the peoples, empires, kingdoms, and nations subsequent ...

... so shall such calamity and disaster befall mankind and the entirety of the Earth ...

... but much greater in scope, magnitude, frequency, and intensity than even the Flood which covered the whole Earth - early in the ancient times of mankind!

For greater calamities and disasters are about to come upon mankind in the weeks ahead and thereafter, into the times ahead (both literally).

For these were written concerning the days of Noah, pertaining to the days before ancient times ... as pertaining to the wickedness of mankind upon the Earth:

- 5 Then the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually.
- 6 And the Lord was sorry that He had made man on the earth, and He was grieved in His heart.

Genesis 6:5-6

- 11 The earth also was corrupt before God, and the earth was filled with violence.
- 12 So God looked upon the earth, and indeed it was corrupt; for all flesh had corrupted their way on the earth.

Genesis 6:11-12

But these were written concerning the days of Noah (and subsequently Lot, the nephew of Abraham) ... as pertaining to the days that are NOW at hand:

- 37 But as the days of Noah were, so also will the coming of the Son of Man be.
- 38 For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark,

39 and did not know until the flood came and took them all away, so also will the coming of the Son of Man be.

Matthew 24:37-39

26 And as it was in the days of Noah, so it will be also in the days of the Son of Man:

27 They ate, they drank, they married wives, they were given in marriage, until the day that Noah entered the ark, and the flood came and destroyed them all.

28 Likewise as it was also in the days of Lot: They ate, they drank, they bought, they sold, they planted, they built;

29 but on the day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all.

30 Even so will it be in the day when the Son of Man is revealed.

Luke 17:26-30

But even greatest will not be the Earth against mankind ...

... not the Lord God against mankind ...

... but mankind against mankind!

For the greatest wars ever on the face of the Earth, whether past ... present ... or future, are indeed about to come upon mankind, throughout the vastness of humanity and over the entirety of the Earth ...

... for which the usage of "Weapons of Mass Destruction" will be the norm, rather than the exception (in eventuality), as conflict and wars rage from peoples to peoples, nation

to nation, continent to continent, alliances to alliances, even unto those that cover the whole face of the planet!

Such will lead to (by the end of all such) ... great destructions ... decimations ... and desolations ... such that only a fraction of mankind will survive ...

... and likewise, only a marginally greater fraction of the Earth will be inhabitable, that is, once all war is completed!

How will ALL war cease?

When I, the Lord God Almighty, cause ALL war to cease ...

... by My majestic power and might ...

... lest mankind cease to exist!

For indeed mankind will cease to exist completely and totally ... unless I, the Lord God, intervene directly and cause all such to stop ... by defeating, in absoluteness, those peoples and nations that do not acknowledge Me as their Lord God!

For those that do acknowledge Me will indeed stop their warfare when I command them to do so, but those that do not acknowledge Me will not stop their warfare when I command to do so ... and thusly I will cause them to do so by defeating them.

Nevertheless, much is coming upon mankind and all the Earth. Therefore, such that I am about to give is just a small number of things that are coming upon mankind and the peoples and nations of the Earth.

Of these things ...

... I will bring both blessings and judgment upon My own few handfuls of peoples and nations ...

... and judgment upon all the other peoples and nations of the Earth that do not declare Me as their Lord God.

However, know that war is coming in which smaller conflicts will develop into national conflicts ... then into regional conflicts ... then to continental conflicts ... and then to global conflicts ...

... for which mankind will see terrible destructions ... decimations ... and desolations.

Nevertheless, this is only the beginning, leading to that which I said will result in the end of war ...

...through My direct Godly intervention.

Then therefore, is a partial list of things coming upon mankind and the Earth, beginning in gradualness, but in an even increasing frequency, and intensity, and then thereafter, unto exponential and astronomical:

[Pertaining to ... America](#)

- President Barack Obama is commanded to resign by the Lord God Almighty, lest he be removed politically in the coming months as a result of a myriad of infractions and scandals - including threats and intimidations to others; manipulation of events and circumstances; circumvention of procedure, law, and the Constitution; as well other secretive issues that are about to be revealed. His deadline for announcing his

resignation is the 2nd of December 2013, and his deadline to resign is the 1st of January 2014.

- An American debt pay-down and elimination plan and strategy (for national, state, and local debt), is to be revealed and enacted. Such is to begin in planning and strategic implementation within 2014. Such also includes an eventual restructuring of personal debt in time, so as to eliminate it as well, but within a longer time-frame.
- The “Covenant of America” ... is to be revealed, in its entirety, but in gradual increments, within a period of time, beginning in soon and due time.
- War is coming to America - in which it initially involves warfare within nations outside of the United States, for which such shall lead to war on American soil in the coming times, by due time.
- America’s enemies are planning a preemptive attack upon America, for which specific and tangible plans are revealed. Such involves usage of nuclear weapons in an electro-magnetic pulse attack in order to crush America without destroying it.
- America is given revelation that additional, great earthquake fault lines exist, for which such has been previously unknown. Furthermore, America’s existing fault lines will show great weakening, unto fracturing - in particular, regarding the New Madrid and San Andreas fault lines. Such will become evidentiary in very soon and due time.
- America is to be given a new, unusual, and very powerful energy source and corresponding resource. This energy source of a new and powerful type, previously undiscovered, is revealed to be greater than anything mankind has ever known.

[Pertaining to ... Israel](#)

- The final restoration of Israel, and the complete plan of its restoration and corresponding blessings ... is to be revealed, in its entirety, but in gradual

increments, within a period of time, beginning in very soon and due time. Such restoration is entitled “The Blessings of Israel”.

- Israel is to receive revelation of the locations of massive on-shore and off-shore oil and natural gas fields ... for which such will lead to very great discoveries of such resources. Such initial revelation will be given, beginning in very soon and due time.
- Israel is to receive an exponential increase in wealth, making it one of the wealthiest nations in the world, despite its tiny size and small population. Such will also begin in very soon and due time.
- Israel is to receive revelation of the locations of King David’s and King Solomon’s Mines and Treasures. Likewise, such will also be revealed, beginning in very soon and due time.

Pertaining to ... Disasters - of the Earth and of the Heavens

- Earthquakes, natural disasters, and “Acts of God” will multiply greatly, beginning in 2014 and thereafter, for which such great disasters and calamities will continue unabated for many times.
- World War III and World War IV are coming in the times ahead, and be finished and completed by due time.
- The genetic manipulation of plants, animals, and mankind are discovered to have chilling and dire consequences to mankind and all living things. Such issues become much more prevalent than ever imagined or theorized (for such has been imagined and theorized, but hidden). Such genetically manipulated plants, crops, and animals, are even more so, reported and linked to illnesses, diseases, and cancers, with great physiological ramifications for mankind. Crisis will soon begin to develop, with heretofore, unknown and unforeseen consequences.

- Famine of unprecedented proportions, of seven years length in duration, is to come greatly and existentially upon the entirety of the Earth (coming in soon and due time). However, the ramifications will extend well beyond the seven years. The vast majority of the world has had nearly seventy years of plenty (for which such has been wasted, thusly leaving mankind unprepared for that which is to come upon the world).
- Changes in the sun, in the moon, in the planets, in the stars, and in the ordinances governing the heavens will occur ... for which such will greatly affect mankind and the Earth, unto existentially.

[Pertaining to ... The Lord God Almighty](#)

- The Vatican begins to collapse, financially, politically, morally, and more ... thus substantially and existentially affecting the Roman Catholic Church globally.
- Israel is to receive revelation of the location of Ark of the Covenant. The Ark of the Covenant is been revealed unto all of Israel and the entire Earth ... for which such will give great blessing in Israel and empower Israel over her enemies.
- The Temple ... the Third Temple of the Lord God, is to be rebuilt, within several years, in Jerusalem, on the Temple Mount.
- The testimonies of the Lord God are to be completed ... in which the final “Testimony of Eternalness” is to be revealed to complete the Lord God's written revelation unto mankind - consisting of the “Old Testament”, of the “New Testament”, and of the “Eternal Testament”.

[Pertaining to ... Technologies and Sciences](#)

- Concerning the existing laws of physics ... greater revelation is to be given concerning many of these laws, for which new sciences and theories will be

discovered.

- New universal laws of physics are revealed and discovered ... for which new sciences, laws, and theories will also be discovered.
- Electromagnetic radiation, of a new and different law of physics, is revealed and discovered. Heretofore, such as been completely unknown to mankind.
- Sensory technology, of a new and revolutionary type, is revealed and discovered, based upon the new spectrum of electromagnetic radiation.
- Technologies, many which currently exist in various aspects, will be greatly improved and enhanced, thusly also revolutionizing science and all aspects of global society - due to great and additional revelations.
- Technologies of new ... that is, completely brand-new technologies, in all facets, will be revealed and discovered ... for which such will monumentally evolutionize and revolutionize the peoples, cultures, societies, industries, provision, protection, security, and explorations of the oceans and space.
- Negative gravity is revealed, for which its great and enormous potential will be realized ... for which the corresponding scientific and explorational applications will be tremendous.

These are just a tiny fraction of what is to be revealed unto mankind ... for much more revelation concerning forthcoming events, circumstances, situations, calamities, and disasters will be revealed unto the entire Earth, beginning in very soon and due time.

In conclusion ...

... such things are inescapable!

Of My own few handfuls of peoples and nations ... and further, those which declare Me as their Lord God ...

...only those peoples and nations will I bring through all these calamities, disasters, and wars, in greater measure - for I will give them divine provision and protection so that these peoples and nations do not cease to exist at the end of all such calamities, disasters, and wars.

I, the Lord God Almighty, declare ...

... to receive **REDEMPTION** ...

... if such that seeks **REDEMPTION** is an individual - then this one must come back unto Me, by accepting Me and then honoring, loving, and obeying Me ... and in particular, by obeying My laws, commandments, statutes, judgments, and precedents, according to My Godly standards - and not their own.

... if such that seeks **REDEMPTION** is a peoples - then these likewise must do the same, as a peoples as a whole.

... if such that seeks **REDEMPTION** is a nation - then for that nation to become one of My nations - to also receive My Godly provision and protection, they must also do the same nationally.

But know this - those who seek Me, whether of an individual, whether as a peoples, or whether as a nation ... they must also publicly declare Me as their Lord God!

But, for those who DO NOT come back unto Me, and DO NOT seek My Godly **REDEMPTION** ...

... such is the lot of these:

... destructions ... decimations ... and desolations!

Behold I AM the Lord God Almighty ...

... and I AM coming quickly!

For those that heed these words and honor them by taking them to heart ...

... bless-ed are they!

Of ALL these things (of which I have given only a few) ...

... such are coming IMMINENTLY!

For My "Great and Terrible Day" is coming by due time ...

... that is, all such things prophesied will come to pass by due time ...

... for which all such things mentioned, all such things listed, all such things not given as of yet ... will indeed occur prior to that due time!

O Earth... come back unto Me, your Lord God ...

O mankind ... come back unto Me, your Lord God ...

O nations ... come back unto Me, your Lord God ...

O peoples ... come back unto Me, your Lord God ...

O individual ... come back unto Me, your Lord God ...

O man ... O woman ... O child ... come back unto Me, your Lord God ...
