A Message from the Lord God to Syria

The Second Message

Beginning of Message

A Message from the Lord God to Syria -

... the Second Message ...

... another Message to Syria ...

... from the Lord God of America and Israel:

O Syria, you indeed have a covenant with wickedness and evil!

And, with such a covenant, is not death far behind?

But more so, is not Hell behind even death?

Know this O Syria:

I AM the Lord God Almighty ...

... and I am coming to judge Syria and all those who support and defend her ...

... for they are also partakers of the covenant of wickedness and evil that I speak of here.

A Message from the Lord God to SYRIA
(The Second Message)

Furthermore, those who also support and defend her ... will likewise reap the fruits of this covenant ... by joining Syria in death, and then therefore, will all share Hell together.

For, I, the Lord God Almighty ... shall sift through, separate, crush, and burn all those I have mentioned here, when I judge Syria in its finality ...

... then further determine my judgment upon those who support and defend her, shortly thereafter, in a short space of time (which indeed, is time in a singular context).

Then, shall all these I sift and separate for destruction ... after which they will descend into Perdition ... into Hell, where they shall not revel and glory in their thoughts, words, actions, and deeds - anymore!

Therefore, shall there be the weeping and gnashing of teeth ...

... and even greater, shall they be judged and tormented forever ... in the "Lake of Fire and Tears" ... eternally separated from I, the Lord God, AND all goodness, peace, calm, and clarity of mind, in their souls and spirits!

O Syria, I have too many things against you ...

... including the contentiousness, hatred, plans, plots, conspiracies, warfare, destruction, and death you have ... are ... and will commit ...

... but, even more so, for crushing your men, women, children ... for which you have ... are ... and will continue to destroy your future and heritage.

However, for using weapons of mass destruction, in the use of chemical, biological, and other such weapons of like-kind nature ...

... I, the Lord God, have determined the day, date, and time of ...

A Message from the Lord God to SYRIA
(The Second Message)

... your destruction,
... your decimation,
... your desolation,

... O nation of wickedness and evil!

For you, O Syria, have committed ALL such great abominations unto ...

... I, the Lord God,

... your peoples,

... as well as those of My peoples!

NOW ... I, the Lord God Almighty, have come to JUDGE you ... in My anger, fury, and wrath - much sooner than you think!

So, whether you call yourself Syria or Assyria, is indeed no matter ...

... for you are the same of wickedness which has turned that great wickedness into great evil - by acting on your terrible thoughts, words, plans, plots, and conspiracies ... in both action and inaction.

O Syria ... I, the Lord God, however, know ALL of your wicked and evil secrets, plans, plots, conspiracies, tactics, strategies, and more ...

... for I know the thoughts, words, deeds, and actions of every individual member of mankind ...

A Message from the Lord God to SYRIA
(The Second Message)

... but particularly, do I know ALL such of that done of the king, leaders, governors, advisers, military men, and others of Syria ... and those who are helping you, O Syria ...

... and I know ALL such with absolutely no exception!

Know this O Syria ...

... I, the Lord God, will derail your secret and evil plans ... especially those that are even more abominable ... and I will bring them to absolute NAUGHT!

In fact, what you have thought, spoken, done, and acted upon ... is what I, the Lord God, shall bring back upon you ...

... back onto your own heads, even unto the entirety of your nation.

Remember what I have previously spoken unto you ...

... like-kind for like-kind.

So, if you show mercy and cease your actions of death and destruction, I shall show mercy on you. But, if you do not, I will turn your own wickedness and evil back onto you ... both quickly and more ferociously!

Nevertheless, I will tell you, through commandment - to do ALL these things, as follows:

LET MY PEOPLE GO!

LET MY PEOPLE ALONE!

Message by God

LET MY PEOPLE GO ...

... for many within your wicked and evil nation are of My peoples.

These are the peoples of Christianity within Syria ...

... the Peoples of the Cross ... who are My Peoples of THE Christ.

You have caught them in your cross-fires and wicked, evil, and abominable deeds ...

... for which you have been persecuting them, attacking them, causing destructions upon them, bringing humiliations unto them, and even murdering them!

As a peoples, they have been living in Syria for nearly two thousand years ... and do not deserve what you are doing unto them ... but more so, do they not deserve what you are planning to do unto them.

Therefore, let My Peoples of the Cross flee to a safe haven that I am preparing for them ... for which I will then protect them, provide for them, and nurture them.

Stop persecuting My peoples ... by leaving them alone (for those who wish to stay in Syria), or by helping them to flee from Syria (for those who wish to go).

Do this, and I, the Lord God, will relent on the intensity of My judgments upon Syria.

But DO NOT, and I will GREATLY intensify My judgments upon Syria!

O King of Syria, you have ignored My edict to resign and leave Syria ...

A Message from the Lord God to SYRIA
(The Second Message)

... where if you had done so, I would already have provided a safe haven for you, your family, and your servants to flee away to.

Know that this is now My FINAL warning to leave power ... in My mercy - to go to a distant, but safe and secure place.

Leave Syria, O King, and I will cause a committee of governance to come into Syria, which will include representatives of all your peoples ... under an international coalition of nations to assist them in setting up a new government - which will then be managed, with oversight, by a few select, dependable, and Godly nations ...

For which these nations will then bring stability and a cessation of the wickedness and evil that has come upon you.

I also give you one ABSOLUTE FINAL warning, O Syria:

LET MY PEOPLE ALONE ...

... for if you attack and retaliate against My peoples and nation of Israel, for any reason or cause, no matter how significant or insignificant it is ...

... I, the Lord God, will recompense you in triplicate, even unto more!

But, if you attack them greatly, or with ANY kind of weapon of mass destruction (regardless of what it is, or how potent or virulent it is) ...

... I, the Lord God, will send such a destruction of fire and brimstone upon you so quickly, that there will not be time for any weeping and wailing in the streets - which would ordinarily come upon any peoples who would have the knowledge of an immediately coming destruction.

[A Message from the Lord God to SYRIA](#)
(The Second Message)

In fact, I can tell you that there will be insufficient time for even fear ... which is how quickly I will act upon Syria in My anger, in My fury, and in My GREAT wrath!

I, the Lord God, NOW present you with the final deadline to respond to Me ... through My Messenger, the One whom I have sent ... who has indeed spoken, written, and published all of My words, including the words of this declarational edict.

Further, a deadline to act is also given, in finality as well.

I now await your answer to My Messenger, O Syria.

Nevertheless, if you, O King of Syria, do not respond to My initial deadline, I will blow the FIRST TRUMPET unto the whole world. Do you not remember what I told you about this in My first edict unto you?

Then therefore, if you do not act at my final deadline, I will blow My SECOND TRUMPET ... that is, IF you allow that deadline to expire and pass without any action whatsoever.

After which, I, the Lord God will prepare My THIRD and FINAL TRUMPET to blow - which as I stated previously, you will not see or hear ... for I will rain My judgment upon Syria so fast when the THIRD TRUMPET blows - I can categorically state that no one, in the path of destruction, will know of it, for they will not see or hear My judgment coming!

Compassion and Mercy ...

... or ...

... Death and Destruction!

A Message from the Lord God to SYRIA
