The righteous hand of blessing unto judgment of Almighty God ...

The seventh & final thundering of the Lord Yahweh God ...

Prophet by God

Mr. John Brown
Zion Oil and Gas, Inc.
6510 Abrams Road, Suite 300
Dallas, TX 75231

20th November 2010

Dear Mr. Brown,

I am calling you to special service for the Lord God Yahweh, the eternal Son of His love, the Lord Jesus Christ (whose secret name is KIKITA), and for His bless-ed Holy Spirit, who manifests Himself deep in your heart.

I, a servant of the Most High God, have been called by Him to provide you with the absolute realization of the dreams and desires of your heart (that you have imparted unto the Lord for so many years), by giving you many of the answers and solutions you seek from Him (which will not come from human hands). He has a special and great service for you to perform for Him in these "latter days".

Contact me. But, before you do, go to the Lord God of Above through the Spirit in your heart, residing deep within your soul, and call unto Him in DEEP, INTENSE, DISCERNING, INTERCESSORY PRAYER. Make unto Him your request to reveal to you the call I am making in which I ask you to come to me with quickening speed to reveal God's plans, goals and resolutions to those dreams that you seek to realize in service to Him, the Lord Yahweh God and to Christ Jesus, the Son of His everlasting love.

The Lord Jesus gave me a direct inspiration to give you: "Pray and never cease to fast. Fast and pray for days, day and half a day until you have your answer. Then seek out this man and go to him; but know this, he will require from you a verbal and written oath, a covenantal oath of your loyalty and allegiance, to the Father, Yahweh God and unto also Myself, your Savior, Jesus Christ, and the bless-ed Holy Spirit. This binding covenantal OATH is bound not just on earth, but in heaven as well, so be prepared to give your unconditional loyalty to Yahweh God, His bless-ed Trinity, and to this man whom I have called greater unto this world to not just be an instrument of the Father's eternal love, but also His anger and wrath unto all the world for those that come unto Him not! Contact him with your allegiance and he will further instruct you."

God's Great Project, to carry out His Plan for the world before the coming of His Son ...

Member of the Elite Special Guard of the sovereign & eternal Yahweh God - privileged to serve the one, true, triune God ...

A Special CALL by the Lord God Almighty

You are one of a few select men that are being called globally to be an instrument of spreading God's Will and Word, His messages and blessings to those deserving of it. You are to be a member of an elite team of the highest order of other Christians and Messianic-Jews to further God's Will through specific and focused callings to assist in carrying out His plans for the world that must take place before the coming "Day of the Lord", and to further direct many others who we are to call to the service of God to help us in the very near future. In time, God promises that you will realize, without question, that He is giving you an enormously great honor. Although the road to and through the "narrow gate" will be difficult, the rewards will be enormous.

With this elite team of men, you are also being given the privilege to help preach the Gospel of salvation of Mashiach Yeshua to all of Israel and the Hebraic peoples, wherever they are around the globe; to bring Messianic Judaism to the forefront of Christianity where the Lord God will literally bless them above all peoples; to lead all others that will be called to assist you in all your endeavors; to assist others that have been called to specifically strategize, refine and implement the Lord's "War - Battle Plan for the Ages", of which the primary part is His "Battle for Souls" (more appropriately defined as a spiritual war); to help others to convey and teach God's final messages to the nations; to save the United States and, as mentioned above, to save Israel; to bring praise and honor to Him; and to provide help to and to impart blessings to His elect people and to those who are the elect of our Savior.

You, however, have been called specifically to provide help to and to impart blessings to His elect people in Israel. As you know, Israel faces a significant number of unique challenges that set it apart from the rest of the world, for many of those challenges are a threat to its very existence. As a student of the Bible, you know that Israel will not only survive these challenges, but will completely be restored to the greatest height, amongst the nations, when our Messiah returns. The Lord, however, must lead His nation through all of these challenges by guiding them over each and every "footstep" until they reach their ultimate restoration beyond the great difficulty and tribulation they face ahead.

The Lord has called us to walk through these challenges with His people and to guide them under His leadership. You were called by the Most High, before you were even created, to bring a measure of restoration to Israel and to teach them to lean unto His provision by helping them economically and spiritually. It is now that the Lord is prepared to reveal to you how to achieve and fulfill your greatest dream of bringing oil to His people.

Although Our Lord God has additional projects for you to perform beyond this, fulfilling Zion Oil's commission is His first priority amongst the many others He has for you. There are other individuals that we will call to help you in these endeavors. To have this "calling", I know with absolute certainty, is of "the most high honor" and of the greatest privilege! These incredible works, designed to provide for Israel and to fulfill His scripture and prophecy, was the first of what the Lord called me to do, and will, unquestionably, be one of the most important that will be performed in the coming year.

In conclusion, by the end of 2011, you will see a great manifestation of God's working and revelation to our Israel, our country, and to the entire world (and, by the time 2010 comes to a close, you will see the very

A Special CALL by the Lord God Almighty

beginnings of this). There will be great personal and spiritual blessings given to you, your family, your organization, and your ministry, for your great faith and past efforts. What God has for you to do is beyond even your greatest dreams and imaginations. And believe me, God does nothing small! Everything He does will manifest His righteousness and glory in all things He touches and affects. Although you may not know just how much God has heard you and the prayers that others are praying for you, you will learn in the near future to just what HIGH degree He “is” hearing those prayers and just how He will answer them.

God has given me revelations about you, in the past and more recently, and has indicated that I am to now impart these things to you and to expect further revelations through Him. Your Heavenly Father has a GREAT plan for you and asks you to have FAITH that He will provide for you as you continue to provide for Him. Finally, the Lord also asked me to impart to you the seriousness of these end-times we are in and the EMINENT closure of this age. These end-time events, some of which are spoken of in Matthew 24, are going to drastically accelerate. As are familiar with prophecy, I feel I only need to reiterate this to you.

Once you contact me, await my instructions, for I will soon call you unto me posthaste. The Lord requires your absolute determination, conviction and commitment. For now, I ask you to please provide me with the best and quickest way to communication with you.

Come to me in the peace of our Savior, the Lord Jesus Christ, the Messiah of all the world and beyond.

Signed,

Prophet by God

The Seventh & Final Thundering of the Lord Yahweh God ... the Seventh in Completion

PostScript

Watch in the coming weeks for my “revealing” unto ALL the world messages from our sovereign Yahweh God. Because of the seriousness and importance of these revelations to the world, He has given me direct revelation not to reveal my identity to you (except for the various contact methods I have provided here), until the giving of your covenantal oaths and the initial “revealing”, and to further convey to you the following from Him: “Impart this must you not to another mortal or immortal soul”, thus sayeth the Lord God of Hosts, Yahweh, the God of all the universe and beyond. Lastly, He inspired me to remind you that most forms of communication are not confidential, including telephones (whether cellular or land-line based), e-mail, Internet, etc.

In the near future, I will let you know when the messages will be revealed (they are to the United States and its closest friends, Israel, and all the world). They will be revealed on the www.MessageByGod.com website. The www.TeamByGod.com website is a private site for those God has called to assist He and I in bringing our nation, Israel and the rest of the world back unto Him. This will include you, if, and only if, you accept His call that I will be making known to you in more depth soon.

A Special CALL by the Lord God Almighty

Because of your beliefs and actions in serving God, you are one of the very few that He is now calling to play a greater role in carrying out His divine Will and Word. I trust, soon, that you will realize this.

May the Lord Bless you and yours with great abundance and prosperity in Him ...

As you steer to the farthest star in the north ...

May the wind of the Spirit forever be in your sails ...
